

WAIVER OF LIABILITY FORM

This Waiver of Liability Form ("Form") is entered into by and between Quality Local Contractors ("QLC"), a Canadian-based business with future plans for U.S. expansion, and the undersigned contractor ("Contractor"). This Form serves to release QLC from liability for any accidents, damages, or losses caused by the Contractor in connection with their work.

1. Acknowledgment of Risk

- The Contractor acknowledges that providing trade services, including but not limited to plumbing, electrical work, HVAC, and general contracting, involves inherent risks, including but not limited to bodily injury, property damage, and financial loss.
- The Contractor assumes full responsibility for all risks associated with their work and agrees that QLC shall not be held liable for any accidents, damages, injuries, or losses incurred during the performance of services.

2. Waiver and Release

- The Contractor hereby releases, waives, and discharges QLC, its affiliates, officers, employees, and agents from any and all claims, liabilities, demands, damages, or causes of action arising from:
 - 1) Work-related injuries or accidents.
 - 2) Property damage or financial losses caused by the Contractor.
 - 3) Claims from clients, third parties, or government entities related to the Contractor's performance of services.
- This waiver applies to all known and unknown claims and remains in effect even after the Contractor's engagement with QLC ends.

3. Indemnification

- The Contractor agrees to indemnify and hold harmless QLC from any claims, damages, expenses, or legal actions arising from their services, including but not limited to:

- 1) Client disputes.
- 2) Allegations of negligence or misconduct.
- 3) Violations of local, provincial, federal, or future U.S. state laws.

- The Contractor shall be responsible for all legal costs incurred by QLC in defending against claims related to the Contractor's work.

4. Insurance Requirement

- The Contractor agrees to maintain adequate insurance coverage as specified in the Insurance Requirement Disclosure.
- Proof of insurance must be provided upon request to ensure compliance.

5. No Employment Relationship

- This Form does not create an employment relationship between the Contractor and QLC. The Contractor is an independent entity and is solely responsible for their work, tools, and business operations.
- The Contractor shall not be eligible for workers' compensation, benefits, or protections provided to QLC employees.

6. Governing Law

- This Form shall be governed by the laws of the Province of Ontario, Canada. Upon QLC's U.S. expansion, applicable U.S. state laws shall also apply.
